

ICS Boilerplate

Approved copy for use in press materials, bylines, and partner co-marketing.

Short boilerplate (approx. 50 words):

Intras Cloud Services (ICS) is an AI-first Microsoft Cloud partner delivering global managed IT, Microsoft 365 and Azure transformation, cybersecurity, and fractional executive IT/security leadership to mid-market and enterprise organizations. Founded in 2009 and headquartered in Dallas, Texas, ICS is a Microsoft AI Cloud Partner and CRN MSP 500 honoree.
